

MVNOs Asia: Get connected with the BEST MVNO/E Solutions Provider.

I-New Unified Mobile Solutions, industry leading MVNO/E solutions provider, will present its multiple award winning products and services first time to the Asian market at the 2016 MVNOs Asia Industry Summit in Singapore.

Mattersburg, Austria. September 2016.

I-New Unified Mobile Solutions is one of the fastest growing technology solutions provider in the worldwide mobile communication industry. The company successfully operates MVNO enabling service hubs in Europe, Latin America, the US and Asia/Pacific and got awarded as 'Best MVNE - Enabler of MVNOs' in 2016 and 2 times in a row as 'Best MVNO Solution' in 2014 and 2015. In addition, I-New services got shortlisted for the 2016 GLOTEL Awards, recognizing innovation and excellence in the 'Services to Telecoms' category. I-New was also named 'Top 25 Most Promising Telco Solutions Provider ASIA 2016' by top CIO's and senior IT managers in APAC after the analysis of market offerings, top management capabilities and brand reputations of more than 1.000 companies offering telecom solutions in the Asia Pacific region.

I-New's global growth strategy is based on the commitment to always lead the pace in the mobile communication market by constantly improving its pioneering MVNO/E solutions and to offer highly competitive products and services to the most vibrant and high potential markets. The company will showcase its comprehensive MVNO/E solutions first time to the Asian market at the 2016 MVNOs Asia Industry Summit in Singapore, 18-19 October 2016. Under the motto 'Get Connected', I-New will showcase the power of its MVNO/E service offerings including compelling benefits for both, MVNOs as well as Mobile Network Operators (MNOs).
